Subject: Appeal of USAC Funding Decision - Docket 02-6

Request for Review  
Request for a Waiver

Entity #16049778

FCC Appeal

We would like appeal the decision by USAC to rescind funding for FRN 2406806 and 2406775 of form 471 # 883521.

On April 18, 2017 Pioneer Credit Recovery Inc. reached out to us with a collection balance of \$31,347.07 that the school has to return to USAC. They included a copy of a "Notification of Commitment Adjustment Letter" dated 04/22/2016 that was apparently mailed to the school. The letter stated the school did not fully respond to the PQA.

Previously the we had responded to a PQA reviews for FRN 2406806 and 2406775 of 471 883521. All requested information was responded to in a timely manner.

Apparently USAC mailed a COMD letter to the schools old address (100 South Central Ave., Nanuet NY). The school was not anymore located at that address and neither is the mail addressed to that address being forwarded to their new address. The school was only made aware of this issue when the collection agency tracked down the school at their new address (186 Saddle River Rd., Monsey NY).

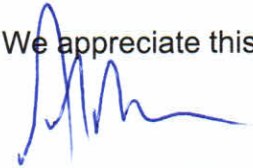

USAC Appeal and Dismissal

We originally appealed this directly with USAC; however that appeal was dismissed as it filed past the 60 days of the COMD letter.

### Request for a Waiver

We are requesting a waiver since we had no way to know that USAC has rescinded funding, since all USAC correspondence was mailed to our old address and at that time the USPS had already stopped the forwarding the mail to our new address.

We appreciate this opportunity.
